Dr. Angeline Kuznia is a board-certified periodontist. A Diplomate of the American Board of Periodontology and Dental Implant Surgery. Diplomates are on the cutting edge of current knowledge and competence in Periodontics. Dr. Kuznia is a graduate of the University of Florida College of Dentistry and George Washington University. She completed specialty training in periodontics at the National Naval Medical Center "The President's Hospital" in Bethesda, Maryland. She served in the United States Navy practicing periodontics. Throughout her Naval Career she served as Chief of Periodontics at NAS Jacksonville, Co-Director of the Implant Board and Clinical Advisor. Dr. Kuznia is always seeking innovative ways to improve treating patients. She is proud to provide the latest and the best available technology for patients in Northeast Florida.

Dr. Lee Atkinson is a Diplomate of the American Board of Periodontology and Dental Implant Surgery. He obtained his Doctor of Dental Medicine degree from Midwestern University College of Dental Medicine in Illinois. Dr. Atkinson completed Periodontics Residency and received a master's degree in Oral Biology from the Uniformed Services University of The Health Sciences, Bethesda, Maryland. Dr. Atkinson is a dental officer in United States Navy Reserves and has served at Camp Pendleton San Diego, California, Yuma, Arizona USNS Mercy Navy Hospital Ship, Naval Post Graduate Dental School, Bethesda, Maryland and as the Periodontist at NAS Jacksonville. His expertise in laser periodontics and implant dentistry allows Dr. Atkinson to provide the highest standard of patient centered care using the latest technology.

Dr. Douglas Storch is a graduate of the University of Florida College of Dentistry. After graduation, he completed 1-year residency as a General Dentist at Harvard University School of Dental Medicine. He completed postdoctoral training in a 3-year residency in Periodontics and achieved a Master of Science in Oral Biology at the University of Florida, School of Advanced Dental Sciences. Dr. Storch is a Diplomate of the American Board of Periodontology. In order to provide the highest caliber care, Dr. Storch participates in several Study Clubs, lecturing engagements and holds a position as Associate Professor at UF College of Dentistry.

Dr. Scott Pasieta is a Diplomate of the American Board of Periodontology and Dental Implant Surgery and a Diplomate of the International Congress of Oral Implantologists. He is a member of the American Academy of Periodontology and the American Dental Association. Dr. Pasieta is a graduate of the University of Maryland Dental School. After practicing General Dentistry for 2 years, Dr. Pasieta was accepted into Periodontics Residency at the Naval Post Graduate Dental School in Bethesda, Maryland and graduated with his Certificate in Periodontics and a Master's of Science in Oral Biology from the Uniformed Services University of the Health Sciences. As a Navy periodontist, he has provided outstanding periodontal and dental implant treatment to patients all over the world from Hawaii to Japan and providing care as the only periodontist in the Pentagon. He prides himself on being able to use the latest advances in laser periodontal treatments and dental implants to treat his patients like family.
